### Instructions:

1. Cut the blue striped paper in half diagonally and glue the lower right half over the lower right half of the jewel dark blue background paper. Cut a 9" x 9 1/2" piece of vintage blue roses paper. Place on your cutting surface and use your X-acto® knife to cut a 6 1/2" x 3 1/2" rectangle from the center, as shown. Mat on jewel light blue paper, applying glue only to the corners and trimming the edges to a thin border.
2. Cut a 1/2" x 12" strip of silver paper and insert the strip between the vintage roses frame and its mat. Outline the rectangular window with the silver pen, then glue the frame and strip to the center of the background paper.
3. Double mat the photo on silver, then navy blue, trimming each to a 1/8" border. Glue the photo to the center of the page. Cut out the vintage blue roses tag, then mat

Here I've combined two gorgeous patterned papers from [Joy's Vintage](#) with coordinating blue solids and metallic silver. They all come together for a beautiful and elegant page, perfect for a gift.
